

When it is **time** for you **to leave the Autism Guernsey offices**, you will need to go back through reception, turn right, go through the cream coloured door, and back down the two flights of stairs to the main entrance.

Since there are lots of rooms and corridors in the building you may be feeling a little bit disorientated, but a member of staff will help you find your way out if you are unsure.

The beige coloured door leads to the stairway.

The stairs lead down to the main door.

Pull the door in towards you to open it.

Once outside again, turn right, and walk to the end of the Motor Mall building.

Then turn right again and walk back between Motor Mall and Matalan to the car parking area.

If you walked to the offices, you can turn left and out of the business park.
