

Autism Guernsey has a variety of **resources**. You will find most of these in the training room. Many of the resources can be borrowed. Please ask a member of staff if you wish to borrow anything.

There are lots of **books** on topics that can be of interest to people with autism and their families or carers. Subjects include: communication, employment, sensory, education, relationships, assessment and diagnosis.

It is fine to look at these books while you are at the office, and most can be borrowed.

If you need a book about a specific subject, please ask a member of staff who will help you to find something suitable.

In the training room you will also see **weighted items**, like these blankets.

These are some of the **sensory items** you will see in the training room.
